ABOUT JEFF

Jeff is an accomplished caller who calls Party Nights through A-2 and has called for dances and clubs in Canada, the United States and Europe.

Jeff started calling at party nights in his parents' clubs at the age of nine! At 14, he changed his focus and played in several bands as lead singer and/or drummer. At 19 Jeff returned his full attention to the square dance movement.

He started his own clubs in 1977 and became a full time, travelling caller in 1983.

Jeff is the current Club Caller for two Clubs in southwest Ontario, and the teach partner for his wife, Andrea, in their Round Dance Club.

Jeff is a great supporter of new callers, is a CALLERLAB Accredited Coach, and is very willing to share his knowledge with others to help the activity grow.

Those who regularly dance to Jeff understand how much he loves his work and know that they will have an enjoyable experience every time they dance to him!
