How can we make your convention better:

This year you will be receiving a very short questionnaire/survey in your registration bag that can be handed in at the end of the convention in a box outside the big hall. We would really appreciate any input you can give us. We want to have the best Conventions

Silent Auction

Once again Convention will be having an entertaining silent auction. To enable us to have a successful fun time of trying to outbid one another, we will need some stunning donations.
