## Calgary and District Square and Round Dancers Association

## Survey Monkey

Hello to all of our dancers in the Calgary & District (C&D) area. As the new President of C&D, I have heard from many of you who have thoughts and concerns about maintaining a vibrant square and round dance community. It will help me and the C&D to determine a path forward if you will kindly fill out this little survey about your view of the role of C&D and our dance community. Thanks you in advance for your time and ideas. Brenda Ryder
